

Refund Policy

The SYC Sailing School operates entirely from the fees received from enrolments and donations/fundraising. The employment of our instructors is based upon the number of students that enroll. Please review our refund policy to avoid any possible concerns.

Notice of cancellation must be made at least 4 weeks prior to the start of the enrolled session to receive a full refund.

- Notice of cancellation after that time will result in a 50% refund.
- After the session begins, refunds will only be considered for students that have sustained an injury or have become ill either of which restricts the student from continuing. These refunds are prorated.
- All refunds are subject to a \$40 cancellation fee
